

Visibility Guideline issued by the Government of Tyrol for Subsidy Funding for Projects on International Cooperation, International Humanitarian Aid and Developmental Information, Education and Awareness Raising

Applicants are obliged to carry out the following activities to ensure visibility for the public authorities of Tyrol as a funding partner:

1. Applicants need to provide a concise project description and five press images for PR activities to the Tyrolean authorities.
2. Applicants must mention the Government of Tyrol as a funding partner on their website and on social media when the project is publicised.
3. Applicants must mention the Government of Tyrol as a funding partner in their oral or written communication for press releases, conferences, trips and events related to funded projects.
4. For larger investments, such as built constructions, cars or machinery, the logo of the Government of Tyrol including the phrase *Supported by the Government of Tyrol* must be added in the local language. A sign in English, French and German can be provided.
5. All seminar documents, publications, newsletters, etc., which are produced for a funded project, must contain the logo of the Government of Tyrol.
6. The project contract with the local project partner must state in the local language that the project is implemented *with [project volume written out as a figure] of support provided by the Government of Tyrol*.
7. Every financial transfer of subsidies must contain the project title including *Government of Tyrol transfer* or *including resources from the Government of Tyrol* in the reference line.
